**NOTE:**  
The photographs within this sheet have been scaled to match the equivalent view of the human eye, when printed out at A2 and viewed at a distance of 300mm. However, for the purpose of this assessment, due to print quality formatting procedures within the document, the photographs have been reduced to fit onto an A3 sheet and should, therefore, be viewed at an approximate distance of 200mm. Copies of the photographic views at A2 can be obtained from Influence-cla.
