<sup>1</sup> The Integrated Impact Assessment (IIA) integrates Sustainability Appraisal (SA), Strategic Environmental Assessment (SEA), Equalities Impact Assessment (EqIA) and Health Impact Assessment (HIA). Sustainability Appraisals (SA) are a requirement of the Planning and Compulsory Purchase Act 2004 and Strategic Environmental Assessments (SEA) are required by European Directive EC/2001/42, which was transposed into UK law by the Environmental Assessment Regulations for Plans and Programmes (July 2004). The EqIA is a way of demonstrating the District Council is fulfilling the requirements of the Public Sector Equality Duty contained in section 149 of the Equality Act 2010. HIA is a recognised process for considering the health impacts of plans and undertaking this type of assessment is widely seen as best practice.

7. The DPD is not sound because it is not:

- (1) Positively Prepared
- (2) Justified
- (3) Effective
- (4) Consistent with national policy

8. Please provide precise details of why you believe the DPD is, or is not, legally compliant, sound or in compliance with the duty to cooperate in the box below.

If you wish to provide supplementary information to support your details, please ensure they are clearly referenced.

The Plan does not seek to make alterations to the boundaries of the Green Belt in the District. This is in accord with the NPPF (paragraph 140 et seq) where such alterations should be part of the Strategy Plan. If there are issues arising from objections to the current Plan which mean that there would be a shortfall of housing, new sites within the Green Belt should only be considered following a comprehensive review of potential sites throughout the Green Belt in the District.

The representor owns land in Bulcote (map attached ) which is shown on the Councils SHELAA list. He wishes to be assured that if Green Belt land needs to be released at this Plan making stage, it is done following a comprehensive review and in accord with the NPPF guidelines set out in paragraphs 140-144.

9. Please set out what change(s) you consider necessary to make the DPD legally compliant or sound, having regard to the test you have identified at 6 above where this relates to soundness. You will need to say why this change will make the DPD legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

(Continue on a separate sheet/expand box if necessary)

Please note your Representation should cover succinctly all the information, evidence and supporting Information necessary to support/justify the Representation and the suggested change, as there will not normally be a subsequent opportunity to make further Representations based on the original Representations at the Publication stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for Examination.
